MASTER OF
BUSINESS ADMINISTRATION

at *Tinley Park*

Potential to finish
your MBA in just
18 months!*

You're Closer Than You Think to Earning Your MBA

A Master of Business Administration can give you a better understanding of the social, economic and political realities of business. With that understanding comes the potential for career advancement. But the best part is you don't have to go far to earn your degree. You can do it in your own community at Lewis University's Tinley Park campus. Classes are 8 weeks and will be in a blended, face-to-face and online format.

Build Your Skills for a Better Future

- Strengthen analytical skills in accounting, finance, economics, marketing, information systems and management
- Enhance interpersonal and communication skills for more effective relationships with staff, teams, peers and customers
- Leverage dynamic classroom discussions with students from a diverse range of educational backgrounds, professional experiences, cultural upbringings and global perspectives

GMAT and GRE test scores are not required for admission into the MBA program.
