OFF CAMPUS ARTS & IDEAS ACTIVITIES

The purpose of the Arts and Ideas Programs is to expose you to a variety of cultural events to expand your understanding of “what it means to be human”. While the program intends to create a shared intellectual experience on campus, we realize not all students can meet these demands due to commuting, work, children, etc. The world class offerings of Chicago cultural institutions, as well as those of your own community, also provide invaluable experiences to connect you to a larger cultural and intellectual community and expose you to the ways in which you can continue your education once you venture out into the “real” world.

Below are some suggestions for off campus Arts and Ideas events. **In order to receive credit for these activities, you must complete this form AND provide proof of attendance or admission, such as ticket stubs, playbills, receipts, etc. MOST MUSEUMS, ETC.
