Tutorial Support

- BrainFuse – Online Academic Support

The screenshot shows a web browser window displaying the BrainFuse website. The browser's address bar shows the URL: https://www.brainfuse.com/highed/home.asp?a_id=005CB92D&ss=&tr=. The website header includes the BrainFuse logo, Lewis University logo, and navigation links for Home, Expert Help, Academic Tools, and Collaboration Tools. A blue banner indicates "Tutors are available now".

The main content area features two primary service boxes:

- Live Help:** Includes a "Get live help now" button, a topic selection dropdown menu (with options like Business, Computer & Tech, English, Math, Nursing, Science), and a "Send a question" link.
- Writing Lab:** Includes a "Submit Paper" button and text stating: "Click here to send your paper to our writing experts. You will receive a reply in your inbox within 24-hours."

Below these boxes is an "Academic Tools" section with two options:

- SkillSurfer:** "Live skills building and a library of lessons, videos, tests and more"
- LEAP Learning Platform:** "Diagnostic test center with customized study plans, lessons, and live tutoring"

The bottom of the image shows a Windows taskbar with various application icons and a system tray displaying the time as 6:55 PM on 3/16/2017.

Academic Advising for Undecided Students

- Students can explore more than 80 majors available
- Allow students to take classes in some majors without declaring
- Advisors meet with students each semester for course planning
- Work with students in transition

Support for Students with Disabilities

- Students who have learning accommodations
 - 504 or IEP
 - Testing with extended time, distraction-free testing location
- Students who have special physical needs
- Students who require temporary accommodations
 - Students who have suffered an injury
 - Students who have been concussed

Student-Athlete Academic Support

- Ensure full-time status (12 credit hours)
- Certify all NCAA progress toward degree requirements
- Communicate with students and coaches
- Academic progress checks throughout the semester

Academic Support Programs

- Introduction to the College Experience (ICE)
 - Required, credit-bearing, graded course
 - Common Reader program
- Office of Service Learning
 - Experiential learning, pairing students with community partners
 - Integrated with specific courses

Academic Support Programs

- Scholars Academy
 - Lewis' Honors Program
 - Honors courses or contracts
 - Activities and high-impact experiences
- Success Program
 - On-going mentoring and academic support services to students during their first year at Lewis

General Academic Support

- Midterm grade reports
- Academic intervention measures
- Academic probation and recovery

Seeking Support

- Encourage students to seek help
- Recognize Academic Services as a “go to” place to ask questions
- Encourage students to communicate with faculty members
