### CAREER SERVICES

Chicagoland's top employers utilize Flyers Get Hired and College Central Network as their two primary sources to recruit Lewis University students and alumni for jobs and internships in leadership and management positions. **Flyers Get Hired** is a career services management posting database system where employers recruit specifically for Lewis University students and alumni. Employers also reach Lewis students through **College Central Network**, a posting system, available only to the 20 private Illinois colleges and university members of the Illinois Small Colleges Placement Association (ISCPA).
