

WHAT TO BRING AND NOT TO BRING

Rooms in the Residence Halls are furnished for each occupant with: microfridge/freezer, bed/mattress, dresser, chair, desk, bookshelf and wardrobe/closet. All University furniture must remain within the residence hall room it is provided for. If you have a roommate, many of the optional items can be shared. It's recommended that you and your future roommate (if applicable) coordinate who will be bringing which shared items for the room.
