

Statement for Recycling Program

OUR CAMPUS recycles because our Knowledge about the challenges to **OUR EARTH** produced by a lack of environmental consciousness causes us to demonstrate Wisdom by adopting sustainable choices.

OUR CAMPUS recycles because it demonstrates our commitment to all forms of Justice including environmental justice and because our commitment to Association extends to **OUR EARTH**.

OUR CAMPUS recycles because our Fidelity inspires us to show concern for **OUR EARTH**.

Recycling Station

Look for these Recycling Stations in all main buildings where the recycling program is implemented.

The **OUR CAMPUS, OUR EARTH** brochure and the containers for the Lewis University Recycling Program were partially funded through a grant from the Illinois Department of Commerce and Economic Opportunity.

LEWIS UNIVERSITY

To report overflowing bins or recycling containers, please call x5404

When will the program begin?

The program will begin in summer of 2007.

Where will the program be implemented?

The **OUR CAMPUS, OUR EARTH** Recycling Initiative will be implemented in the following buildings:

Academic Building	LaSalle House
Aviation Building	Learning Resource Center
Benilde Hall (College of Business)	McNamara Hall
Charlie's Place	Mother Teresa Hall
Cody Hall	North Hall
Common Grounds	Pope John Paul II Hall
Courtyard Café	Ryan Hall
DLSH (College of Education)	Sancta Alberta Chapel
DLSH North	Science Building
DLSH South	Sheil Hall
Fine Arts Building	South Hall
Fitzpatrick Hall	South Hall (CONHP)
Flyers Den	Student Recreation Center
Founders Hall	Stritch Hall
	Student Union

Who will lead the initiative?

Under the direction of the Lewis University Environmental Risk Committee the Recycling Committee will develop and implement education and promotion activities in support of the recycling initiative. Campus Facilities will contract with Sodexho and Waste Management for the collection and transport of materials. The Recycling Committee will have student participation as well as representation from faculty and student services staff.

Apartment Recycling Bag

Multi-Sort Recycling Unit

What is the plan?

Recycling Stations will be added to central areas in each building. The faculty/staff will have a **Desk Slider** added under their desk. Residents will have an **Apartment Recycling Bag** in each residence hall room.

The students will be responsible for emptying the recycling container into the **Multi-Sort Recycling Unit** in either the Lounge or the Trash Room depending on the residence hall. Sodexho staff will remove trash from central collection areas.

What else can I do to reduce waste?

"Precycling" reduces the amount of trash before it's generated. Select and implement at least one item on this list today and you're "precycling!"

- Use both sides of a piece of paper.
- Write return messages on letters and memos you receive whenever appropriate.
- Reuse envelopes, boxes and other items whenever possible.
- Use your personal recycling container as a source for scratch paper.
- Don't use disposable items. Bring a reusable mug and utensils to work and keep a few extra reusable mugs around for meetings.
- Use "post-consumer" recycled paper whenever possible. "If you're not buying recycled, you're not recycling." If you are ordering supplies, ask for recycled content products, such as file folders, envelopes and other recycled paper products.

What can I recycle?

Glass

Empty bottles and jars

Aluminum

Empty aluminum and tin cans

Plastic

Empty jugs and bottles with marking #1 and #2

Discard all caps as trash.

Paper

Any type of paper

Other

Printer Cartridges*
Toner Cartridges*
Batteriest

* Drop off at Shipping and Receiving

† Drop off at Facilities Department

What can't I recycle?

NO toweling or tissues

NO photos

NO wax coated paper

NO microfiche

NO blueprint paper

NO plastic covers

NO carbon paper

NO plastic bags
