

Professional Licensure Disclosure
Lewis University Secondary Education, B.A., M.A.

Lewis University has compiled the following resources to ensure students have information about educational requirements for professional licensure and certification in all U.S. states. The charts below provide links to state licensing agencies and boards of higher education, and reports whether Lewis’s curricula meets, does not meet, or cannot be determined if it meets licensure or certification requirements for each state.

Requirements for professional licenses vary by state. Additional training, field work, or examinations may be required. Students interested in becoming a licensed teacher, in Illinois or another U.S. state or territory, should inform themselves about licensure requirements in the state or territory in which they intend to live and work.

State by State Licensure Requirements

The chart below details whether Lewis University’s curriculum, if completed according to the requirements in the Lewis University Catalog, meets the licensure and certification requirements in U.S. States and Territories. Links are provided to state licensing boards for those seeking information about requirements in a particular state.
