

The Wadsworth Family Gallery at Lewis University presents

## THE LEWIS ALUMNI ART AND DESIGN INVITATIONAL

**Guidelines:** This art invitational is open to all Lewis Alumni. Each artist/designer may submit 1-3 pieces by dropping off artwork to the gallery on either January 21 or 22. There is no theme for this show, other than to celebrate the wonderful work by our alumni. We are open to exhibiting any type of art or design work. Work will not be accepted after January 22, unless other arrangements have been made. Make sure each piece of work has the information listed below securely attached. You may print this form and add the bottom portion of the form to each art piece. The final step is to register each art piece by going to the Google Form Link listed below.
