## Course Activity Tab

Clicking on an individual course will display the course activity tab. The course activity tab allows a student to view, begin, or continue activities. If an activity has been assessed, the student can also see the results of the assessment. The course details tab also provides access to the course homepage.

# Support

It is important that if your self evaluation is required in a workflow process that your mentor or supervisor **CANNOT** fill out their evaluation until yours is complete.

If you have any issues with the system, there are two resources. If no one is available or after business hours, please call Watermark support listed below.

- The number is 1-800-311-5656
- Option 1 for Student Learning and Licensure
- Option 3 for student
  
- If it is during business hours, you can contact me, and we can set up a zoom if necessary.
