F-1 Status

What is Optional Practical Training?

OPT (short for Optional Practical Training) is a type of employment opportunity which allows F-1 students to obtain work experience in areas related to their academic major. Total of 12 months of OPT available per education level (e.g. Bachelor's, Master's, Doctorate). This is full time and may occur anywhere in the United States. In order to be on OPT you need to obtain an Employment Authorization Document (EAD card). While on Optional Practical Training, individuals are still considered F-1 students at Lewis University, even though they may be working elsewhere in the United States.

Can I update my profile and employment Information by myself?

The Student and Exchange Visitor Program (SEVP) Portal is an important tool that lets students on post-completion optional practical training (OPT) and science, technology, engineering, and mathematics (STEM) OPT meet their legal reporting requirements. Students can use the SEVP Portal to report these changes, or they can ask a designated school official (DSO) report it for them.

SEVP is not Student and Exchange Visitor Information System (SEVIS) and students cannot access SEVIS system. The Portal shares information SEVIS, but does not give students direct access to SEVIS. Only students with approved post-completion OPT or STEM OPT can create Portal accounts.

When your OPT has been approved and is active, check your email inbox for an email notice that includes a link to the SEVP Portal registration pages.

In the SEVP Portal, students on post-completion OPT are able to do:

- **Update profile information**, including Biographic information, address, and phone number.
- **Manage employment Information**, including adding, editing and deleting employment Information.

The Portal does not remove the need for a student to work with a designated school official (DSO) at the student's school. **DSO is still important to students because DSO can help you when:**

- **Email Change:** Email is your user name for SEVP. You cannot change your email address in the Portal. The Portal will send you an email with a temporary password when DSO requests email change through SEVIS system.
- **Initial Portal Account Creation email Resending Request:** If you didn't receive a notification email from USCIS to create your portal account once your OPT has been approved and is active, DSO is able to request a resending of the Initial Account-Creation Email through SEVIS system.
- **Portal Account Unlock:** The Portal will lock your account after three failed attempts to log in to the SEVP Portal. DSO may help you unlock your account by requesting in SEVIS system. You will receive an email to unlock the account. See more detail in the SEVP Portal - Student User Guide.
- **Information Update:** DSO is still able to update the information for students in the SEVIS system as before.

Data Flow between SEVIS and the SEVP Portal:

- Student-changed data is passed from the Portal to SEVIS immediately.
- DSO-changed data is passed from SEVIS to the Portal once a day.

For more detailed information for SEVP Portal, please review **SEVP Portal - Student User Guide** from USCIS

through: https://studyinthestates.dhs.gov/assets/sevp_portal_student_user_guide.pdf

What can I do after one-year OPT period?

After you finish your OPT, If you:

- Have STEM degree, you can apply for OPT extension. To know if you are eligible for OPT extension, check your CIP on your I-20 if it matches on this website: <https://www.ice.gov/sites/default/files/documents/Document/2016/stem-list.pdf>
Check OPT Extension document on our website for more details.
- Do not have STEM Degree, you can check the company that you are working at and apply for H-1 visa. Otherwise, you have to leave the U.S within 60 days.

Additional Information – Traveling outside of the U.S.

While OPT is pending, it is **not advisable** to travel outside the U.S. prior to receiving your EAD card and securing employment. You may travel outside of the U.S. However, There will be a risk that you may not be able to re-entering the U.S. without EAD card.

Once OPT is approved and you have a job offer: please prepare following documents for re-entry:

- Valid passport and visa.
- Valid I-20 with travel signature.
- Valid EAD card
- Job offer letter or letter of employment verification from your current employer.

Please Note:

- Without your EAD card and proof of employment/job offer, you assume a risk in re-entering the U.S. while on OPT.
- You can remain in the U.S. if your F-1 visa has expired. If you travel in and out of the US while on OPT, you must have a **valid F-1 visa**. If your F-1 visa expires before you re-enter to the United State, you must apply for a new visa at a U.S. Consulate or Embassy abroad PRIOR to your return.

F-2 Dependents - Travel Outside the U.S.: In addition to their own Form I-20 --- with updated travel signature, passport and valid F-2 visa, F-2 dependents should keep copies of the F-1 documents listed above.

Additional Information – Legal unemployment

Unemployment during OPT is allowed for a limited amount of days by the law. Taken from the USCIS website:

If you received...	You may be unemployed for...	For a total of ... (during the OPT period)
Initial post-completion OPT only	Up to 90 days	90 days

Please note: If you cannot find a job within 90 days (exceed 90 days unemployment), you are able to stay in the U.S only for 60 days.

Frequently Asked Questions

What is the difference between Curricular Practical Training (CPT) and Optional Practical Training (OPT)?

CPT is employment that is an integral part of your major curriculum and allows you to participate in an internship, practicum or cooperative education program. CPT must be required or, if not required, you must receive course credit. CPT is employer specific and must be done before you graduate. OPT is optional for any student who meets the eligibility requirements and you do not need to earn credit. OPT is not employer specific and may be done before or after you graduate. Please refer to our handout regarding the differences.

Does CPT usage affect OPT eligibility?

You may use as much CPT as is required for your degree program. However, if you use a total of 12 months or more of full-time CPT, you are not eligible for OPT. Part-time CPT does not affect OPT in any way.

Can I apply for OPT if I am part-time student in my last semester?

Yes, as long as you have petitioned OISS to become a part-time student.

Can I request OPT if my I-20 is not current?

No

Do I need a Social Security number?

Yes, you will need a Social Security number in order to receive payment from your employer.

Will I be required to pay Social Security and other taxes?

In general, as an F-1 student you will be exempt from Social Security (FICA) taxes for your first five years in the U.S. as long as you continue to declare nonresident status for tax purposes.

Unless you qualify under a tax treaty between the U.S. and your home government, your earnings as an F-1 student will be subject to applicable federal, state and local taxes, and employers are required to withhold those taxes from your paychecks. For more information on taxes, consult the Internal Revenue Service.
